Approval for Teletherapy Setting

Prior to providing any teletherapy services, student interns will acquire approval of the location of the therapist setting when utilizing video conference for teletherapy services.

[X] I will be utilizing the following location for teletherapy service delivery (location & address)

Home: 12030 E 46th Terrace, Kansas City, MO 64133

X I can & will secure the space from intrusion by any other person during scheduled session.

X I can & will remove any identifying photos/objects of persons other than myself.

X I can & will stage camera view to reflect a professional setting.

X I have tested the zoom link, sound, and video settings with another prior to final approval by the Clinical Director/Program Director.

X I can & will arrange camera at eye level and with my face clearly visible to the client.

X I have connected via Zoom with MSFT Program faculty or the Community Services Coordinator for approval.
